

Write or type your short story which must be no more than both sides of one sheet of paper. It should be inspired by your trip and can be an actual account or a completely made-up story which includes imaginary characters. If you post it to the webmaster at the base, or email it to [webmaster@swherts Narrowboat.org.uk](mailto:webmaster@swherts Narrowboat.org.uk), the webmaster will add it to the website so others can enjoy it.
